### HOT POTATO

Directions PART 2: Use the situations in the box below or any other situation you want to ask your classmates what they ARE GOING TO DO. To begin, one student states a situation and, immediately after, throws the "ball" to a different student. That student then says what he/she IS GOING TO DO and then states a situation and throws the ball to any other student. After 90 seconds the teacher will say "Hot Potato!". The student holding the ball is out of the game. The last student left is the winner. Good luck!
